## Mass Effect 3 Mods Miranda

I was planning on starting a new trilogy with mods and Miranda. This mod looks amazing, but I'm so hesitant to add more mods to ME: 3 had this. a uniform. Completely independent. I also planned to introduce some new animations to ME:F and add some new places to the game. But now I am sure that I will not do it, I would like someone to do it for me. I would like someone to do it within two years, but no one wants to do it. I would like someone to do this. Please, someone do it.
