Features Key:

Setting:

- A vast world. A lush and beautiful world in which extensive scenes of narrative confrontation and strategic action become possible. A place where the memories of the characters who enter are engraved in the hearts of the players who follow.
- Characters:
 - A wide range of characters that include melee fighters, magicians, and priests. From sexy succubuses, who promise to grant your desires, to crafty tricksters, who will gladly betray you, a character that suits you will be waiting in each town.
 - Various NPC Servants from the powerful Magi to the obstinate working girls, from the skillful blacksmith to the ferocious roguish bard. There is not only the feeling of seeing a character you know but of getting to know someone new in a fun and endearing way.
 - Monsters:
 - A wide range of characters, be they blazing dragons and fierce tigers, or the cruel eyeless red worms, or even the graceful redbirds. These are mysteries steeped in ancient secrets. All have unique powers and

-
- can be strong allies or cunning opponents.
 - You can also recruit monsters such as the redworms in order to strengthen the bond between you and those you care about.
 - Consistent Excitement: Each town and dungeon has different monsters. The dungeons, and the areas where you clear dungeons, always have a different feel than those towns. It is always up to you to decide to go or not, and the excitement never becomes dull.
 - Setting:
 - Deep dungeons with a variety of traps in three-dimensional space. A familiar setting that will draw you in, for even if you've seen many commercial RPGs, you're sure to have never seen a game with dungeons like this.
 - Characters:
 - Deep puzzles allowing you to immerse yourself in a story full of twists and surprises. The character development system is designed so that you can fully experience the emotion of recognizing people you know in a fun and exciting new way.
 - Characters have a variety
