Not really). Pon de Parle First, learn it. It's fairly simple to conjugate verbs and make adjectives, nouns, and adverbs, but can be a bit of a challenge to remember. If you don't learn how to conjugate quickly, there are software programs available, such as "Vocabolario Italiano" and "Ngram," which can help you with the fundamentals. Second, bring your friends over. You can call it a meetup, or a group-learning party, or a hack session. It doesn't have to be all Italians, or even all Italians at the same time, but having at least two people per language (or language of choice) is a good starting point. Any
