U July 3, 2019 Grr, it's just not working for me, so I can't figure out what I did wrong or how to fix it. Sorry. Good night, and thanks again for the help. U July 4, 2019 I still haven't managed to get it to work yet. I still don't understand what the problem is with my activation key, and I don't know what to do to make it work. I'm kinda out of ideas. U July 15, 2019 Great! I'd been trying to figure out how to get the activation key to work for hours without any luck. Good job.Sexual relations after stroke and dysphagia. To investigate the effects of stroke and dysphagia on sexual relations, to discuss the relationship between impaired swallowing and sexual dysfunction, and to predict the recovery of the sexual function of stroke patients with dysphagia. Prospective case study. Stroke unit in a general hospital. Eighty-eight consecutive acute ischemic stroke patients who were admitted to the stroke unit in the period from May to July 1998. A questionnaire was used for data collection. The effect of stroke on sexual relations, the association between impaired swallowing and sexual dysfunction, and the predictability of recovery from sexual dysfunction after intervention of swallowing were evaluated. Age, etiology of stroke, location of stroke, initial Barthel Index, and American Spinal Injury Association impairment scale grade were not significantly different between patients with and without sexual problems. More than 70% of all stroke patients showed sexual dysfunction
