I was booked Rail Tatkai on 17th Sept 2016 on an express train @ 8:20 AM. the actual time of departure shown was 8:30 AM. The total booking ticket cost was Rs 60/- but I paid Rs 300/-. The only reason given for an increased fare was-"extra reservation made outside required window." In 10 min's the Tatkai booking was cancelled from the computer system and the "Superfast" window was again opened and I had to re- book in the same ticket (Non-Tatkai). Rs 100/- extra charged for this booking. All this just because I made an early booking of the same train. Can my paid amount be refunded to me? Any idea about the booking of the train with IRCTC by Mr. Anthony & he is assured of AC 2 sitting for the same? If any information about this please update. I am sure he will get benefited the most. Hi, I booked a Tatkai ticket with IRCTC on 26th July 2016 at 9:20am for the next day 22nd August. The ticket was booked under MR. ANTHONY and was confirmed. But later I

got the E-mail with the below message that the booking has been cancelled, but it shows ticket booking in Tatkal window. (Information about ticket booking is incorrect). How to book the ticket? I have no idea why such an error has occurred. Hi, My friend booked AC 3 tier in tatkal route but got confusion while booking in tatkal. But actually he booked with us in TKT. Our website shows the ticket booking done as we did with tatkal visa, the details will be ignored in tatkal and got confirmation of tatkal ticket. So we need to change it and give him the tatkal ticket. please help Hi, My friend booked AC 3 tier in tatkal route but got confusion while booking in tatkal. But actually he booked with us in TKT.
