Technical specifications, such as suspension, engine, gearbox and brakes, were reported in the Technical Specifications. The aims of this paper are to explain the differences in the Citroën C3 (Picasso) and the Citroën C4 (Pallas) and to provide a comparison between the two models. The two models were also compared and contrasted with one another in terms of external appearance. A historical overview of the development of the Citroën C3 and the Citroën C4 from the perspective of the engine is also provided. The Citroën C3 replaced the Peugeot 206 in 2003. The C3 also set a precedent by being the first car to have
